Meet Athen

TRUE SIDEREAL ASTROLOGER

Athen Chimenti is an astrologer, educator, and leading expert in the field of true sidereal astrology.

He is dedicated to spreading the word about true sidereal and how powerful it is at bringing clarity and direction to people's lives.

Athen has helped more than five thousand people from around the world gain clarity through his astrology readings. He has taught more than a hundred astrologers to become professionals in the field and thousands more through his video course. [Read more.](#)

Testimonials

Athen is an absolute breath of fresh air in the astrology community bringing a unique but grounded perspective on sidereal astrology. A cool and inviting presence, he makes the practice of astrology deep and accessible.

Stormie Grace

Working with Athen helped me become a professional sidereal astrologer with a thriving practice. His consistent dedication to the practice is a lighthouse of truth, guiding the way for all of us.

Ike Rodriguez

The Community

@MASTERINGTHEZODIAC

Mastering the Zodiac uses the actual constellations in the sky – known as true sidereal astrology. Almost everything online uses a system called Western tropical astrology. Most aren't aware that tropical and other mainstream forms of astrology do not use the visible sky. [Learn more.](#)
